Welcome Messages

Niagara College has a strong tradition of athletic excellence. Through hard work, perseverance and teamwork, our athletes have once again made us very proud.

On behalf of the entire staff of Niagara College, I want to extend heartfelt congratulations to all members of the Niagara Knights' teams. You are tremendous examples of the spirit of Niagara and have been great ambassadors to the college while competing throughout the country. I applaud your professionalism, dedication and all your achievements throughout the year.

To our coaches and athletic program staff, I would also like to convey our sincerest gratitude. Your commitment to our program and to our students is second-to-none. It is because of your leadership and investment of time, energy and expertise that our young athletes excel year after year.

Just like education, athletics and fitness are life-long pursuits. I hope your time as a Niagara Knight has enhanced both your academic and athletic lives. Best wishes for continued success.

Dan Patterson
President

Niagara College is proud to showcase the remarkable accomplishments of student athletes, teams and coaches with its 2001/02 Niagara Knights Varsity Yearbook. This past year proved to be a very exciting season for the Niagara Knights varsity program with many teams participating in regional, provincial and/or national levels of competition and individual players and coaches achieving prestigious all-star and player-of-the-week rankings.

A remarkable 125 student athletes received awards and certificates of merit at the 2002 Athletic Awards Banquet – a strong testament to the high levels of dedication and hard work that student athletes commit to both their sport and academic lives as students of Niagara College.

A successful varsity season could not be possible without the financial, promotional, and planning support of many individuals and groups including the Student Administrative Council, the athletic department staff, the administration of Niagara College, and of course, the loyal and encouraging support of Niagara Knights fans, friends and family members at home and on the road.

To our student athletes, you have made us proud because of your great success on the field and more importantly in the classroom. Your success has brought Niagara College a great tradition of pride and honour. To those of you who are graduating, thank you and good luck in your future endeavours and hope that you will keep in touch. This has been a truly great year in Niagara College sports.

SEASON HIGHLIGHTS

It may have been considered a rebuilding year for the men's basketball Knights, with only three returning players, but the team finished with an 18-8 record, including an 8-4 record in league play. The team finished tied for a playoff spot, but were eliminated in the tiebreaker process.

Niagara won its own tournament, lost in the finals of the Loyalist College tournament, and finished third at the St. Lawrence College tournament. In December, they were named OCAA Team of the Week and in January, guard Eliran Kikos was named Player of the Week. Kikos and guard Edson Jones were both named OCAA West Division All Stars.

With a solid nucleus returning next year, including Kikos and freshmen standouts Jamaal Cornwall and Jason Pulver, the Knights are anticipating an improvement on a solid overall season.

SEASON HIGHLIGHTS

This year's team's hard work and perseverance paid off as they finished with an overall record of 18-14 and fourth place in the OCAA West Region. Many of their games were very close, proving that the Niagara Knights were a top contender in the OCAA. They finished the season in fourth position in the west region to qualify for the playoffs. The Knights lost to the eventual OCAA champions in the first round, the Humber Hawks. This team made great strides this year as they put together their best winning season in over ten years. Jana Douglas was recognized for her outstanding season as she was named OCAA West Second Team League All Star. They were characterized by hard work, positive attitude, hustle, and a great team spirit. Each player made an important contribution to the team's success. We look forward to next year's strong core of returning players.

SEASON HIGHLIGHTS

With a number of key injuries and a first-time setter the Knights got off to their slowest start in three years finishing the first half with a 4 & 2 record. The return of All Star Graeme Gaunt and Justin Ross to the line up in the second half gave Niagara a big lift on offence to close out the season on a winning note. It came down to the final match of the season for the OCAA West Region title to be decided with the Knights winning their third consecutive title in as many years. With the west region title tucked away the Knights took another shot at defending their two-time OCAA Championship. They opened with a sweep of three straight sets in the quarter-finals and semi-finals to set up a rematch of the 2001 championship versus Loyalist. The Knights settled for a silver medal and a third trip to the nationals as the OCAA Wild Card team. The Knights bid farewell to their captains Josh Gunnell, Shawn Barbisan and their middle player Andy Chatel, who are graduating.

The 2002 - 2003 season will mark the start of a new era for this team as Head Coach and former Niagara player/All Canadian Blair Cudmore will step down to start a family. Cudmore directed the Knights to an incredible run of 93 wins and 31 losses which included league and playoff matches, two seasons in which the Knights lost only one match in Ontario and won two consecutive OCAA West Region titles, two OCAA gold medals and twice finished fourth at the CCAA National Championships. Last year his peers recognized him as the OCAA West Region coach of the year. The program wishes to thank Blair for his dedication and hard work over the past seven years.

SEASON HIGHLIGHTS

This season began with new coaching assistants and the promise of talented recruits. The season welcomed back veteran setter Kelly Davies, outside hitters Ginni Llord and Thais Aun. The acquisition of two talented assistant coaches brought new vision to the women's program. The program actively sought four skilled recruits; a 6'0 middle player from Moosonee, a sister duo from St. Catharines, and a libero from Newcastle.

In the beginning weeks of the season, the coaches explored various player options until the winning combination presented itself. The program developed and implemented a new defensive system, Niagara being the only College in the OCAA to use a six-up defense. The second half, the Knights were on a tear... a six game winning streak, defeating top teams in their region. OCAA Athlete of the Week nominations, and OCAA Team of the Week, revealed the strength of this developing team. The offensive and defensive system helped the Niagara Knights achieve their team goal, placing in the top eight teams in the province. At OCAA Championships they displayed their team spirit and drive, playing the second seed team and nearly upsetting with scores into the fifth set 15-13. They continued their fight to pursue the bronze but fell short in being defeated in the fifth set by the Seneca Sting. Congratulations team!!

Best of luck to Kelly Davies as she wraps up her playing career.

With the silver medal in hand the Knights advanced to the Canadian Colleges Athletic Association Open Championship where they finished in sixth. SEASON HIGHLIGHTS

The Men's Indoor Soccer team had trouble finding their stride from the starting gate. The first two exhibition tournaments provided sufficient evidence to the players that a new recipe was needed to be successful. Agreeing to recommit themselves to success, the players came to practice during the three weeks preceding Regionals with one goal in mind, play as a team. At the OCAA West Regionals the team worked it's way into a position where a win or tie would have advanced them to the OCAA Championships. While the final result was not in our favour, the team made incredible strides and the players returning for next season are eager to build on the progress made this year.

OCAA WEST REGION CHAMPIONS

TEAM MVP:
Dana MacDonald

SEASON HIGHLIGHTS

Led by net minder Dana MacDonald, the Knights Women's Indoor Soccer team had their best season ever. MacDonald minded her net duties while Robyn Mertz led the offence to a first ever OCAA West Region title. With the title in hand the Knights moved on to the OCAA Championship and were placed in a favourable pool, but the competition was tough in all three low scoring games which saw Niagara fall short of their expectations.

Led by tournament all stars Jonathan Barr and rusher Jamie Zomer, the team went 3 & 2 and saved its best game for the bronze medal match. The team also received solid play from second-year quarterback Mark Murray, as well as freshman Brad Dearborn and returnee Ryan Kelly.

OCAA All-STARS: Wes McLachlin & John Hadden

TEAM MVP: Jeff Broeders

SEASON HIGHLIGHTS

Although the men's rugby team did not qualify for the championship tournament, the program made great strides in improving and building a competitive team. This was most evident on the defensive end of the game as they held teams in check in every game they played but they will have to make large improvements to their offense before they can contend in the OCAA. The Knights bid farewell to their captain and the player who started this program, Wes McLachlin, who has graduated. Thanks to his hard work and effort, the rugby program was first introduced to Niagara College students five years ago.

NIAGARA COLLEGE KNIGHTS HALL OF FAME INDUCTEES - 2001

REVEREND MICHAEL ANTON (BUILDER) 1967-1969

Reverend Michael Anton, formerly of Welland, and now a resident of Hastings, Michigan, has the unique honour of serving as Niagara College's first basketball coach, as well as being among Niagara's first faculty hired in 1967-68. Although there were 17 other colleges in the Ontario College system at the time, the intercollegiate sports league had not yet organized and Niagara College did not have a gym. League games and practices took place at local high schools. Niagara's first basketball team, in its inaugural season, finished 7-7 under Reverend Anton's leadership. In 1968-69, the Ontario College Athletic Association formed, and the colleges were divided into three divisions. With only one year of experience behind them, Coach Anton's basketball team finished 14-8 overall in its second season, having qualified for the playoffs as the wild card, a remarkable accomplishment for a team with no

home gym. Reverend Anton's most memorable moment arrived in the first year of organized play when Niagara finished second to Mohawk College with a 7-3 record in the division and the best defensive average of the three second-place teams.

Niagara College is pleased to induct builder Reverend Michael Anton into the Niagara College Knights Hall of Fame.

JULIE (CECCO) JENKINS 1977-1979

Julie (Cecco) Jenkins of Niagara Falls, Ontario was the backbone of the Knights women's basketball team in the late seventies. Julie led her team in scoring, averaging 15 points per game and was named the team's most valuable player in the 1977/78 and 1978/79 seasons. She was the team's leader on and off the court, displaying excellence in sportsmanship and leadership. Julie was awarded the Athlete of Distinction Award in her second year at Niagara. For her participation on the basketball and tennis teams, Julie was the first Niagara athlete to have the honour of being named Female Athlete of the Year in two consecutive years. Before coming to Niagara, Julie had already made her mark in basketball, having been a member of the 1976 Ontario Winter Games Women's Basketball championship team and Ontario Senior Women's Basketball championship team. Her most

memorable moment still remains in having the honour of being the first Niagara Athlete to be named Female Athlete of the Year for two consecutive years.

Niagara College is honoured to induct Julie Jenkins into the Niagara College Knights Hall of Fame.

JAMES VOISIN 1980-1983

James Voisin formerly of Welland, Ontario now a resident of Brush Prairie, Washington, spent two of his three years at Niagara College with the Niagara Knights Hockey team. He captained the squad to its first ever league and playoff International Collegiate Hockey League Championships in 1980 - 1981. Additionally, he was the league's leading point setter and selected as the ICHL Second Team All Star forward for that season. For his leadership and multiple achievements, James was bestowed with Niagara's esteemed Athlete of the Year Award for 1980 - 1981. Mr. Voisin's most memorable moment was scoring a short handed goal during the final moments of the playoff game to seal the Knights ICHL championship. In conjunction with his athletic achievements, James was awarded the Faculty Award for Academic Excellence in 1981. He graduated from the Electrical Engineering Technician

program with two diplomas.

Niagara College is honoured to induct James Voisin into the Niagara College Knights Hall of Fame.

JUDITH (HELSTAB) GEORGE 1981-1984

Judith (Helstab) George of Fonthill, Ontario was a member of the Niagara Knights women's basketball team from 1981 - 1984. In the 1982 - 1983 season, along with playing, Judy assisted in the coaching duties of the team. Her skill and maturity gave the team much-needed experience and stability. Judith led her team to a Silver Medal at the Ontario Colleges Athletic Association championships in the 1981 - 1982 season. She was twice selected to the championship All Star team and ranked as one of the top ten basketball players in Ontario. Her court accomplishments and leadership gained her the Female Athlete of the Year Award in her final season at Niagara. Her off-court accomplishments included the Business Faculty Academic Award in 1982/83 and 1983/84, Accounting Advisory Committee Award and Convocation Valedictorian in 1983/84. Basketball was

always a passion for Judith, but her most challenging and memorable moment was being chosen for the honour of being Valedictorian of the 1984 convocation ceremonies. Judith graduated from the Business Administration Accounting program in 1984.

Niagara College is honoured to induct Judith George into the Niagara College Knights Hall of Fame.

Hall of Fame Inductees

ROSEANNE DEMARCO 1982-1984

Roseanne DiMarco of Welland, Ontario was described as the girl who sparked most of Niagara's women's basketball team victories. This evidenced by her 15 points per game average and being chosen as a First Team League All Star of the OCAA in her second year. In her freshman year, Rose showed great will and determination and together with her quickness and court sense, helped the Knights to attain their league title in the 1983 – 1984 season. Her accomplishments on the court earned her the Female Freshman Athlete of the Year Award. In the 1984 – 1985 season, Rose was honoured with the Female Athlete of the Year and the Athlete of Distinction Awards. Being selected First Team League All Star was her most memorable moment while a member of the Knights basketball program. Rose graduated in 1985 from the Law and Security program.

Niagara College is honoured to induct Roseanne DiMarco into the Niagara College Knights Hall of Fame.

LINDA FLETCHER (BUILDER) 1968-1973

Linda Fletcher, formerly of Welland, Ontario, now a resident of Wainfleet, spent five years at Niagara College as the first head coach of the women's basketball and volleyball teams. She accomplished what no other women's coach has yet been able to, and that was to lead a Niagara College women's team to a provincial championship. In the 1968 – 1969 season with only seven players on the roster, she led the Knights to their first OCAA championship in a league of six teams. She returned in 1969 – 1970 season with the same squad of ladies to a league that expanded to eleven teams and successfully defended their title by defeating Fanshawe College. With the same athletes playing volleyball that year, Linda directed the Knights past thirteen other teams to Niagara's first ever OCAA Volleyball Gold Medal Championship by upsetting the two time defending champions Fanshawe College in the final. Coming to Niagara in the evening and

coaching was a tremendous part of her life. She was very respected by the players and they related well to her as she was still playing in the Hamilton league while coaching. After coaching the basketball and volleyball teams to provincial championships in the 1969 – 1970 season, the Student Administrative Council honoured her with the first Female Athlete of the Year Award. Coaching at Niagara was a great experience for her as well as a lot of fun. Her most memorable moment in the five years that she spent at Niagara, was "when our small new team of terrific ladies won Niagara's first basketball championship- what a thrill!"

Niagara College is honoured to induct Linda Fletcher into the Niagara College Knights Hall of Fame.

RICK SINCLAIR 1991-1994

Rick Sinclair of St. Catharines, Ontario a power forward on the men's basketball team quickly gained the respect of his teammates, coaches and opponents on the basketball court after taking over the vacated point guard position. Rick helped lead the Knights to their first ever Ontario Colleges Athletic Association medal, winning a bronze medal at the final four championships in 1993. His accomplishments on the court included: being selected the 1994 OCAA All Star Game MVP; 3-point skills competition champion; and First Team League All Star. He led his team in scoring for three consecutive years from 1992 – 1994, was two-time team MVP, and received the Athlete of Distinction award. In 1993 Rick was recognized for his outstanding leadership and accomplishments on and off the court when he was named the Niagara College Male Athlete of

the Year and was the recipient of the Student Administrative Council Scholarship for excellence in basketball and academics. His most memorable moment was in leading the Knights to a bronze medal in 1993. Rick graduated from the Numerical Control Machinist and Machine Shop programs.

Niagara College is honoured to induct Rick Sinclair into the Niagara College Knights Hall of Fame.
